

Human Resources Job Description

INC.

Since 1952

Flexo-Press Operator

Tex-Trude is one of the leading plastic manufacturers in Texas. We are located in the Channelview area and have been in business since 1952. This position will work in a fast paced work environment within our Print Department.

Position Summary:

- 3 years minimum of Flexo-graphic press operation including experience with inline gear driven presses
- Must be able to complete print press change overs
- Must have experience with mounting plates
- Knowledge of web press controls such as web tension and guides, flying splices, turret unwind and rewind
- Experience using solvent inks, color mixing and matching, viscosity control, use of ink pumps and doctor blades systems
- Experience printing a variety of plastic film products such as LDPE, HDPE, BOPP and PET
- Experience in corona treating of plastic films
- Ability to lift up to 75 pounds repeatedly during a work shift
- Ability to work day, night and weekend shifts as required
- Team player attitude with proven track record in competence, attendance and a desire to succeed
- High School Diploma or Equivalent
- Non-smoking property
- Other duties as assigned

Qualifications:

- Must be able to work under limited supervision
- Must be able to communicate effectively both verbally and in writing (English literacy)
- Prior experience working in a fast pace manufacturing environment is a plus
- Must be flexible (work days, nights and weekends as required)
- Must be able to tolerate seasonally hot and cold working environment
- Must be able to work in a physically demanding position and tolerate standing for extended periods of time
- Safety oriented
- Other duties as assigned

Please send a resume with work history and salary expectations to mmuniz@tex-trude.com or faxed 713-481-3484 Attention: Human Resources. *Tex-Trude is an Equal Opportunity Employer. All candidates must complete a pre-employment check and screening.*
